DR. SAMUEL GILBERT'S

PREPARATIONS.

MEMPHIS.

DR. SAMUEL GILBERT, so celebrated as CHRONIC DISEASES,

the most lucrative Medical Practice in the South, has at last consented to allow several of his most esteemed remedies to be prepared and sold as proprietary medicines. This resolution has been engendered by the repeated solicitations of those who have experienced the benefit of his remarkable professional skill, and by the impossibility of giving especial attention to each of the written applications made to him for precriptions by those whose perumary circumstances or business habits, pracinde the possibility of applying in person to him.

THE PUBLIC

DR. SAMUEL GILBERT'S GENERAL ALTERATIVE

Acts directly upon the Glands and Mucous Membranes—stimulating them to additional activity in their natural functions of eliminating from the Circulating Fluids the usual Effete (and in disease, Morbid) Matters, and expelling them through the Skin, Kidneys, Liver, and Alimentary Canal from the system. It is, therefore, adapted for the relief of chronic diseases affecting those organs, and of the mucus membranes lining them such as ERUPTIONS, TETTER, ULCERS, SCROFCLA JAUNDICE GOITRE.

CHRONIC INFLAMATION OF BLADDER AND UTERUS, ETC. It is particularly useful in Suppressed Menstrua-tion. Herestitary Taints, Syphilis, and maladies aris-ing from long-continued use of Calomel. Blue Mass, Corrasive Sublimate, Favier's solution, Donovan's

It will also kill litch and other local vermin—which proy upon the skin. It seltens and detaches the excrementitious matters deposited upon the skin, heals the cracks, blisters, and pimples, and renders the cutaleous surface smooth and plaible. It has been used by Dr. Gilbert with most satisfactory results, for many years. It is offered for sale, in this style, from the firm conviction that it must necessarily meet with the hearty approbation of those who make use of it. rily meet with the hearty approbation of those who make use of it.

Editors Cincinnati Commercial:

Gentlemen—We wish to make a public acknowledgment to Messrs JOS. L. HALL & CO., of this city manufacturers of HALL'S PATENT CONCRETE FIREPROOF SAFES, for the splendid manner in which the safes of their make preserved their contents in the late Opera house fire, which destroyed our office. We had seven of their safes, two of them of the largest size, all of which stood the most severe tests to which any fireproof safes have ever been subjected. All of these safes fell into the hurning mass of ruins, and were then exposed to an intense heat from the burning debris which surrounded them, for from forty-six to one hundred and twenty hours, yet all of their contents, which comprised an immense amount of money, bonds, silver plate, and other valuables, were restored to us uninjured. We are, for this, of course, greatly pleased, and think that after this experience we can recommend them to any one who may want a sure

recommend them to any one who may want a sur and certain fire proof safe as being all that the recommend them to be. Agent Adams Express Company A CARD.

Mesars Jos L Hall & Co., manufacturers of Hall's Burglar and Fireproof Safes:

Dear Sir—Our large Hall's Fireproof Safe was taken from the ruins of Pike's Opera house this afternoon, after being subjected to the most in tense heat for four days and four nights, or about minety hours, and our books and valuable papers, and United States Bonds deposited with us, were preserved in good condition. The fire was still burning with such intensity that, when taken out, it could not be opened till cooled by a stream of water. We think we can say nothing more in favor of your invaluable safe than to state the fact, that this test, surely as severe an one as safes can be subjected to, has resulted in such entire satisfaction both to you and ourselves. Yours truly.
